

I am a flight attendant for Aloha Airlines in Hawaii and I would like to voice my concern on the use of cell phones in flight. I feel that there is ABSOLUTELY NO GOOD REASON to allow the use of cell phones in flight and that there are MANY, MANY reasons not to allow it. If allowed to use cell phones in flight, passengers will NOT be using them for security measures, the majority of the calls will be of a personal nature. Allowing the use of cell phones will cause more chaos, and less control. Control is imperative in an emergency!!! Flight attendants have enough to deal with... policing the use of cell phones should not have to be another.
